

Isolation of mitochondria

NCC Nickie C Chan GV Grigor Varuzhanyan DCC David C Chan

Updated date: Nov 13, 2020

 An abbreviated version of this protocol was published in eLIFE in Oct 2019

Mitochondrial fusion is required for spermatogonial differentiation and meiosis

DOI: [10.7554/eLife.51601](https://doi.org/10.7554/eLife.51601)
